

GUEST WELCOME PACKAGE

THE YOUNG FOUNDER SHOW

Guest Experience Kit

Real Stories. Real Lessons. A Brighter Tomorrow.

FOR BUILDERS. FOR DREAMERS. FOR FUTURE FOUNDERS.

WELCOME

Welcome to The Young Founder Show

Every builder has a story worth sharing.

Thank you for saying yes. You're about to join a growing group of student founders, developers, and creators who are choosing to document the messy, uncertain, unglamorous middle of building something — not just the highlight reel at the end.

This booklet walks you through everything you need to know before we hit record: what the show is about, who's listening, what to expect, and how to make the most of your time with us. No script, no pressure — just an honest conversation about your journey so far.

We're genuinely excited to have you on.

Mission-Driven

Built around one clear purpose: real stories over polished ones.

No Script Needed

Just a relaxed, guided conversation about your journey.

Always Free

No cost, no catch — ever, for any guest.

ABOUT THE SHOW

What Is The Young Founder Show?

A podcast built around one idea: the most valuable stories are the ones still being written.

Mission

Documenting the real journey of building something meaningful before success arrives.

Vision

To become the go-to home for honest, unpolished startup and builder stories.

Audience

Student founders, developers, creators, and early-stage builders around the world.

Purpose

To show that progress — not perfection — is what actually moves people forward.

OUR AUDIENCE

Who Listens?

A community of people who are actively building — not just watching from the sidelines.

Student Founders

Building their first company while still in school.

Developers

Turning code into products, side projects, and startups.

Creators

Sharing what they make and what they learn along the way.

Builders

Heads-down, shipping, and figuring it out as they go.

Entrepreneurs

Chasing an idea from napkin sketch to real business.

AI Enthusiasts

Exploring what's next at the edge of technology.

GOOD TO KNOW

Frequently Asked Questions

Q Do I need podcast experience?

A Not at all. Most guests haven't been on a podcast before — we'll guide the conversation together.

Q Do I need special equipment?

A No. A phone or laptop with a working camera and mic is more than enough.

Q Can I promote my startup?

A Yes — we encourage it. Your work and your journey are part of the story.

Q Can I share the episode?

A Absolutely. You'll get the full episode and clips to share with your own audience.

Q Is participation free?

A Yes, always. This is about sharing stories, not transactions.
